

MATHEMATICS

Grade 3S Term 2

Topics we expect to cover:-

- Fractions
- Decimals
- Money
- Geometry
- Time

Course work **may** be made up of the following: Total of 3 Assessments.

All Assessments are to be signed by a Parent or Guardian.

If a student is absent from a class, please ensure that the missed material is covered.

There must be an excuse from a Parent/Guardian, if a student has not done Homework/Corrections.

It is strongly recommended that you regularly visit www.AvidMinds.net for Homework and materials pertaining to this Mathematics Class.

- A **Plastic Folder** (with 2 inner envelopes) is required for Handouts given during the Term. This Folder is to be used **ONLY** for MATHEMATICS. This Folder will also hold an Assessment Corrections copybook. This is the same Folder which was required in Term 1
- **Three (3) Mathematics copybooks** are required...Math A (Class Work), Math B (Homework), and an extra copy book (which must be kept **under the desk at all times**).
- **Push point pencils as well as metallic and flexible rulers are not allowed in school.**
